

Work experience that works for you

## Street Lighting Operative

Our work experience placements have been developed to support residents from a range of backgrounds and with different levels of ability.

### Your role

Street Lighting Operative

### What you'll be doing

You'll be helping with the installation of street lighting columns and associated power supplies (some physical work will be involved).

Your duties will include:

- excavation
- cable laying
- duct installation

### Experience and skills you'll get

By the end of the placement you'll have:

- personal skills - communication, team working, problem solving, personal development
- operational skills - safe use of hand tools and light plant / machinery

### What are the working days?

To be confirmed, maximum of 37 hours per week

### How long will the placement last?

To be confirmed, maximum of 8 weeks

### Is a DBS check needed?

No

### Other responsibilities

Everyone who does a work placement with us will need to:

- embrace the values of Middlesbrough Council
- demonstrate a commitment to the principles of equality of opportunity and fairness of treatment in relation to their role and adhere to the council's work experience policy in carrying out their placement
- respect all confidentiality and principles and practice of the Data Protection Act
- comply with Health and Safety policies and legislation
