

Work experience that works for you

Classroom Support

Our work experience placements have been developed to support residents from a range of backgrounds and with different levels of ability.

Your role

Classroom Support - SEND Functional Skills (Alternative Provision)

What you'll be doing

You'll be working with a dedicated team, supporting and providing positive mentoring to young people who have various barriers to learning. Students may also have complex educational needs, and / or display behavioural issues.

Your duties will include:

- assisting in classroom support for Functional Skills maths and English, post-16
- supporting individual learners as directed by the tutor
- supporting learners to develop their employability skills as part of their programme
- attending meetings and undertake development activities as agreed with the coordinator
- supporting staff to prepare teaching materials

Experience and skills you'll get

At the end of the placement you'll have:

- experience of supporting young people with SEND (special educational needs and disabilities)
- experience of working for a local authority in a team environment
- improved confidence and work ethics
- experience of preparing teaching materials
- experience of using work-based ICT packages

What are the working days?

Mondays and Tuesday (please note, the role will be based over two sites: CLC and Jellystone)

How long will the placement last?

8 weeks

Is a DBS check needed?

Yes

Other responsibilities
