

Work experience that works for you

Albert Park Sport and Physical Activity Assistant Development Officer

Our work experience placements have been developed to support residents from a range of backgrounds and with different levels of ability.

Your role

Albert Park Sport and Physical Activity Assistant Development Officer

What you'll be doing

You'll be working with the team at Albert Park to develop and deliver a programme of accessible sport and physical activity opportunities.

Your duties will include:

- engaging with the community local to Albert Park to promote the sport and physical activity programme
- delivering, where appropriate, parts of the Albert Park sport and physical activity programme
- actively engaging on a day to day basis with park users, encouraging them to take part in the Albert Park sport and physical activity programme
- help with setting up and taking down the equipment needed to deliver the Albert Park sport and physical activity programme

What are the working days?

To be confirmed, a maximum of 37 hours per week

How long will the placement last?

To be confirmed, a maximum of 8 weeks

Is a DBS check needed?

Yes

Other responsibilities

Everyone who does a work placement with us will need to:

Work experience that works for you

- embrace the values of Middlesbrough Council
- demonstrate a commitment to the principles of equality of opportunity and fairness of treatment in relation to their role and adhere to the council's work experience policy in carrying out their placement
- respect all confidentiality and principles and practice of the Data Protection Act
- comply with Health and Safety policies and legislation

How to apply

You can apply online by completing the [online application form](#).

If you're having trouble with the online application form, you can email us at 50futures@maes.ac.uk or call us on 01642 811400.

If you have a disability, we'll make every reasonable effort to supply you with the necessary aids, equipment, or adaptations to help them you carry out the role.
