What is this for?

This newsletter has been created by our Participation Team and gives you some tips, tricks and handy information you might find interesting!

A Word from Sue Butcher- Director of Children's Care:

Hello everyone, I hope you are all safe and well! I would like to thank you again for your hard work in following government guidelines. In this newsletter, we have some information from our Education team and SEND team, as well as lots of useful links and resources for you. Take care all!

Our SEND Local Offer

Have you visited the Local Offer website lately?

The website provides information on Local services and support that are on Offer to families and young people (aged 0 - 25 years) with special educational needs or disabilities. It's created and updated with the help of parents and young people in Middlesbrough. Here is the link:

www.middlesbrough.gov.uk/localoffer

Did you know that you can watch videos from staff who are involved with your child's journey from teams such as SEN Assessment or Short breaks? Find out about SEN Support or EHCPs, or what schools or support services are in the area and much more. Take a look and see what you can find!

Want to keep up to date with everything SEND during the summer holidays?

Join our 'Local Offer – Middlesbrough' Facebook group. Join our closed group to keep up to date and share your experiences and recommendations with others.

Message from our Education Team- Returning to School

Middlesbrough schools are all geared up and ready to welcome children and young people back at the start of September.

The Government has offered lots of advice on how to make sure children and young people are safe and happy when they return to school and all of Middlesbrough's schools have followed this carefully.

A spokesperson for the Council said,

“ I have been so impressed by what our schools have done to make sure all of the arrangements are in place to keep children safe. All Middlesbrough schools are open for all children in every year group, and it's important parents and carers talk to their children over the next few weeks to make sure they are ready to learn and attend school every day. ”
