<b>STREETS COVERED (See attached map):</b> Anglesey Avenue, Blanchland Road, Bushmead Terrace, Carmarthen Road, Chetwode Terrace, Croxden Grove, Dunmow Avenue, Endeston Road, Finchale Avenue, Flexley Avenue, Hartland Grove, Hexham Green, Keynsham Avenue, Kirkstall Avenue, Lindisfarne Road, Marham Close, Middenden Grove, Netley Grove, Ormesby Road, Balmoral Road, Bournemouth Avenue, Cargo Fleet Lane, Chapel Close, Coronation Green, Eastbourne Gardens, High Street, Lealholm Crescent, Leamington Grove, Norfolk Crescent, Park Avenue North, Park Avenue South, Pennyman Court, Prescott Road, Pritchett Road, Ravensdale Road, Revesby Road, Sandwell Avenue, Sawtry Road, Somerville Avenue, The Crescent, The Link, Thetford Avenue, Trentham Avenue, Victoria Gardens, Woburn Grove.

<b>ELECTORAL OFFICERS COMMENTS:</b>	
Location & suitability	Due to the imminent closure of the Southlands Centre and future unavailability, this has been identified as a suitable replacement location. As this polling station will be located on the boundary of 2 existing polling districts and is easily accessible from both, it is proposed to merge these into one, saving the costs of one station. The electorate of the combined station would still be within the limit for a single station.
Parking	Nearby on street parking
Access	Fully accessible
Facilities for staff	Satisfactory
Recommendation	Only suitable building within the polling district formerly served by Southlands Centre. More centrally located than the existing station at Ormesby Methodist Church.

<b>RETURNING OFFICERS COMMENTS:</b>
-------------------------------------

New station conveniently located and accessible from all parts of both former polling districts.
