

MIDDLESBROUGH MOBILE, ADAPT & MEND SERVICE (MMAMS)

HANDYPERSON - HOME MAINTENANCE SERVICE

Many people want to stay in their own homes as they grow older or their life circumstances change. Our aim is to assist clients to remain living independently in their own home.

We focus on minor essential repairs and minor adaptations. We also provide information on other relevant services that are available.

The Staying Put Agency works closely with the Social Care Occupational Therapy Team, fitting minor adaptations for people of all ages - such as a second stair rail, grab rails and bath aids which can minimise the risk of falls and have a major impact on the health and the wellbeing of our clients.

MIDDLESBROUGH MOBILE, ADAPT & MEND SERVICE (MMAMS)

MINOR REPAIR WORKS

Traditionally, the household owner carries out small repairs to their home but many older and disabled people could put themselves at risk if they attempt these jobs. For example climbing ladders, or carrying heavy tools.

If you live in Middlesbrough and are an owner occupier who is disabled, vulnerable or over 60 years of age, and your property requires essential minor repairs we may be able to assist with:

**MINOR JOINERY
REPAIRS**

**IMPROVING
HOME SECURITY**
(locks, door chains
and key safes)

**REMOVING
TRIPPING
HAZARDS**

**MINOR
ADAPTATIONS**

There is no charge for this service if you are over 60 years of age, the homeowner living in the property and in receipt of a qualifying benefit.

LOW LEVEL REPAIRS

We also offer a low level repair service for non-essential works for owner occupiers, 60 years or over, or disabled. The types of work can include small joinery jobs such as putting up shelves, furniture assembly, as well as other general and plumbing jobs. Just ask us and we will try to help. The cost is just £10 per hour plus the cost of any materials used. Maximum time allowed per visit is 3 hours.
