Dear Sir/Madam

SMALL BUSINESS RATE RELIEF FORM FOR THE FINANCIAL YEAR 2020/2021

ADDRESS : RATEABLE VALUE : £

A small business rate relief scheme exists that is designed to help small businesses pay their business rates, which currently means that some businesses may have nothing to pay.

Small Business Rate Relief may be awarded where the following conditions apply:

1. Occupied properties with a rateable value up to £12,000 will receive 100% rate relief. For properties between £12,000 and £15,000 Small Business Rates Relief will be awarded on a sliding scale, and the amount due will be calculated using the small business non-domestic rating multiplier of 49.9p.

2. For properties between £12,000 and £15,000 Small Business Rates Relief will be awarded on a sliding scale, and the amount due will be calculated using the small business non-domestic rating multiplier of 49.9p.

3. Relief is extended to ratepayers who occupy other properties in England that individually have a rateable value of less than £2,900, providing the total rateable value of all the properties occupied is less than £20,000. Small Business Rate Relief is only awarded to the property with the highest rateable value. Those other properties with rateable values of less than £2,900 will be billed based on the smaller multiplier of 49.9p. Please Note: Single properties or multiple properties with a rateable value or combined rateable value of £20,000 or more do not qualify for small business rate relief.

Please complete Section A if you wish to apply for this relief, or Section B if you no longer own or have ceased to be responsible for this property, and return the form to this office.

You are welcome to contact this office if you require any assistance completing this form or need any further help or advice about your business rates.

Yours faithfully
